C,R,E,W, is located in Oshkosh, Wisconsin. With a population of about 64,000, Oshkosh and the surrounding Fox Cities are one of the fastest growing areas in the state. There many attractions. To name just a few...

- the EAA AirVenture Oshkosh is the America's largest annual gather of aviation enthusiasts held each summer at Wittman Regional Airport.
- The Performing Arts Center in downtown Appleton annually hosts more than 180 Broadway shows, concerts and symphony events.
- The surrounding lakes and rivers offer many opportunities - such as Walleye Weekend - to enjoy outdoor activities.

Oshkosh and the surrounding Fox Cities boast strong public and private schools, plentiful sports, year-round recreation activities, affordable housing and safe living. In fact, Oshkosh-Neenah is the 15th safest metro area in America, with nearby Appleton (#14), and Fond du Lac (#18) also great places to live.

An organization representing 18 northeast counties, The New North, provides a wealth of information on this beautiful area. (Please click on the link provided for more information.)
